Hi Sean:

Just checking on your schedule/deadline: Are you working on something today for publication tomorrow or is this for something farther out?

Thanks

Marianne,

At the meeting in Saturday, sevgeral miners asked Mr. Fisher the folowwing question that he sauid he would look into.

Who at the EPA requested the Task Force to begin its 7 month long investigation, and why?

I have talked with Mr. Fisher today and wanted to route this question through your office.

Thank you,

Sean Doogan
